FCN, Inc Receives 2026 Cisco Federal Software and Services Partner of the Year

Rockville, 10/28/2026,
[FCN Inc. (FCN), a distinguished IT solutions provider, is thrilled to announce it has been awarded the Cisco Federal Services and Software Partner of the Year for Fiscal Year 2026. This prestigious recognition comes from the Cisco Partner Summit event, where industry leaders gathered to celebrate excellence and innovation in hybrid multi-cloud solutions.

Cisco is a global leader in empowering organizations with hybrid multi-cloud technology and has bestowed the title of "Federal Services and Software Partner of the Year upon FCN, acknowledging the company's exceptional dedication to delivering cutting-edge solutions to Civilian, Defense and Intelligence agencies.

FCN's commitment to innovation and value-driven results has consistently set them apart in the highly competitive world of IT solutions. The FY2026 Cisco Partner of the Year Awards also recognized outstanding partners in other categories, showcasing their contribution to Cisco's mission of providing customers more choices and flexibility in their enterprises.

FCN's Chief Executive Officer (CEO) Anne Sullivan stated, "FCN is dedicated to continuing its partnership with Cisco and is excited to build upon this accomplishment in the years ahead, providing the Federal sector with exceptional IT solutions that meet their unique needs."

Cisco Federal Team commended FCN, saying, "The Time is Now! Cisco can offer customers more choice and flexibility in their enterprises than ever before. FCN's dedication to spreading the message of Cisco's value has been invaluable in furthering our mission."

About FCN, Inc
