FCN Inc Receives 2023 Nutanix Civilian Partner of the Year Award

[Rockville, 10/31/2023] — FCN Inc. (FCN), a distinguished IT solutions provider, is thrilled to announce it has been awarded the Nutanix Civilian Partner of the Year for the Fiscal Year 2023. This prestigious recognition comes in the wake of the Nutanix Federal Channel Partner Kick-off event, where industry leaders gathered to celebrate excellence and innovation in the field of hybrid multi-cloud solutions.

Nutanix is a global leader in empowering organizations with hybrid multi-cloud technology, has bestowed the title of "Civilian Partner of the Year" upon FCN acknowledging the company's exceptional dedication to delivering cutting-edge solutions to the civilian sector. FCN's commitment to innovation and value-driven results has consistently set them apart in the highly competitive world of IT solutions.

The FY2023 Nutanix Partners of the Year Awards also recognized outstanding partners in other categories, showcasing their contribution to Nutanix's mission of providing customers with greater choice and flexibility in their enterprises.

FCN's Chief Operations Officer (COO) Dennis Sullivan stated, *"FCN is dedicated to continuing its partnership with Nutanix and is excited to build upon this accomplishment in the years ahead, providing the civilian sector with exceptional IT solutions that meet their unique needs."*

Nutanix Federal Team commended FCN saying, *"The Time is Now! Nutanix can offer customers more choice and flexibility in their enterprises than ever before. FCN dedication to spreading the message of Nutanix's value has been invaluable in furthering our mission."*
