

MICROSOFT AOS-G AZURE CLOUD AND LICENSE-BASED SERVICES

SECURE. COMPLIANT.
MISSION-FOCUSED MICROSOFT
CLOUD LICENSING FOR
GOVERNMENT AND DEFENSE.

FCN, Inc. is an authorized **Microsoft AOS-G (Agreement for Online Services – Government)** Partner, enabling **federal, state, local, and defense organizations** to procure **Microsoft Government Community Cloud (GCC and GCC High) licenses** for **Microsoft 365, Office 365, and Dynamics 365** — all under **500-seat agreements**.

This program also allows for Enterprise Agreements for Azure Commercial (GCC) and Azure Government (GCC HIGH). Enabling our Federal and Defense Industrial Base customers to procure Azure Services directly from FCN **with no seat requirements**.

As a **Microsoft AOS-G** and **Managed Cloud Service Provider (MSP)**, FCN delivers end-to-end cloud solutions that meet the highest levels of compliance, security, and mission assurance.

WHAT IS AOS-G?

The **Microsoft AOS-G program** (Agreement for Online Services – Government) allows **public sector entities and government contractors** to purchase **Microsoft GCC and GCC High licenses** through an **authorized Microsoft partner** — without the need for a large-scale Enterprise Agreement.

AOS-G provides complete access to Microsoft's **secure government cloud environments**, hosted exclusively in **U.S. data centers** and operated by **U.S. persons**, ensuring compliance with **FedRAMP High, ITAR, CJIS, and DoD IL5** requirements.

WHY CHOOSE FCN AS YOUR MICROSOFT AOS-G PARTNER

- ✓ **AUTHORIZED AOS-G PROVIDER**
FCN is an authorized Microsoft partner verified to sell and manage **AOS-G licenses** for both **GCC** and **GCC High** environments, and **Azure Commercial** and **Azure Government (IL2-IL6)**.
- ✓ **UNDER-500-SEAT LICENSING FLEXIBILITY**
Ideal for **government agencies, prime contractors, and subcontractors** who need access to Microsoft's secure government licensed base services for but fall below the 500-seat threshold. (Access to Azure Enterprise Agreements for any size agency)
- ✓ **COMPLIANT AND MISSION-READY**
All GCC High services provisioned by FCN meet **FedRAMP High, DFARS, and CMMC** cybersecurity requirements — enabling secure operations for defense, law enforcement, and regulated civilian workloads.
- ✓ **END-TO-END CLOUD MANAGEMENT**
As both a **Microsoft Direct CSP** and a **Multi-Cloud MSP (Microsoft + AWS)**, FCN provides migration, licensing, cost optimization, and managed support for your Microsoft Government Cloud environment.
- ✓ **U.S.-BASED, CLEARED ENGINEERS**
Our **Top Secret–cleared Cloud Practice team** designs, deploys, and manages Microsoft 365 GCC High and Azure Government environments with full lifecycle support.
